

## Prayer by Abbie

There is bad in the world you say?  
Why don't you try to pray?  
God won't laugh nor cry,  
God will be glad you have given it a try.  
Turning away can be a choice,  
Leaving God with no voice.  
If someone needs forgiveness for a sin,  
This is where their following may begin.  
If you have no one near,  
God is the perfect listening ear.  
Any time you have a doubt,  
Just give God a shout,  
Some followers have been sent on a mission,  
To show that God is always there to listen.  
If only you can bravely venture,  
Into a church you may enter.  
A second family for lots,  
Some of which tie their knots,  
Many emotions are felt,  
As the congregation are all knelt,  
Some happy, some sad,  
Some worried, some glad.  
Many followers go to St Peters for a visit,  
We all speak in the name of the father, son and Holy Spirit  
Amen
